

Welcome to golf instruction at the Quarry Golf Club. My name is Jim Barker. I am a member of the PGA of America and Director of Instruction here at the Quarry Golf Club. I am a former PGA Tour Player and PGA Champions Tour Player.

I was the 1990 Southern Texas Teacher of the Year and 1996 Harvey Penick Teacher of the Year. I was voted as one of the top teachers in the nation by both Golf Digest and Golf Magazine in 2001.

I have been teaching the game of golf for over thirty-years having worked with over forty-thousand golfers to help them enjoy this challenging but rewarding game of golf. I would consider it a privilege to help you learn to play better golf, enhancing your enjoyment of this great game.

As you know, playing golf consists of more than just your full swing (hitting long, straight shots), but also includes short game, putting, trouble shots, and course management. By improving each of these five areas of your game, you can substantially lower your scores.

Your private lessons will include a personal DVD, complete with freeze-frame analysis, voice over and your individual corrections. Your DVD is a ready reference at home to help you review and reinforce what you've learned.

To make an appointment to get started on improving your game, call the pro shop at 210-824-4500. One of our friendly staff will be happy to schedule your appointment.

Thanks for choosing the Quarry, Jim Barker
